

punto design

The leading Russian urban furniture manufacturer

puntodesign.ru.com

Russian urban furniture manufacturer

Punto Design is a Russian manufacturer of furniture for cities, parks, gardens and HoReCa segment, as well as outdoor workout equipment.

The company was started in 2002 and by now has grown to be the leader in this field in the Russian market.

Our main advantages are the ability to create custom design solutions, and quality to price ratio. Own production and state of the art technologies enable us to offer our clients unique products of exceptional quality.

Individual orders

Aludeco Ltd. has its own modern productive base and design bureau so we can take individual orders. In fact, the majority of our products are custom-designed.

Besides, we are particularly proud of our team build of experienced and high-qualified specialists.

Our talented team, own design department and large production hall help us successfully to manage a wide range of challenges in the shortest possible time.

We use only proven high-quality materials of domestic and foreign production.

In addition to the product groups in this catalog, our company can produce tree grates, parking posts, retaining walls and other small architectural forms according to your sketches and sizes.
